ODE

5-string Banjos

From \$72.00

Exclusively Producers of the
Traditional American Instrument

ODE Model 21

A unique instrument which combines ruggedness of structure with ultimate refinement in banjo tone. Compare the esoteric features of the ODE with instruments costing much more.

SPECIFICATIONS

Neck

- Extra long with 25 frets, 32½" scale; or standard length with 22 frets, 27¼" scale.
- Scroll or square head (see cover).
- Right or left hand models.
- Heavy neck brace with screw adjustment for varying string height to produce easy fingering action.
- Laminated walnut and maple insures against warping.
- Natural finish to bring out the full beauty of the wood.

Rim

- Heavy 11" polished aluminum, will not warp; uniquely designed to give maximum durability and a crisp, sparkling tone. Since the finish is produced by polishing the rim itself, there is no superficial surface to flake or chip off.
- Milled tension hoop and 24 tension hooks, all nickel plated.
- Calfskin head with square flesh hoop; plastic head optional, at same price if desired.

Extras included on all banjos

- Side tuning geared machine screws.
- Pressure tailpiece.
- Adjustment wrench, fits both tension nuts and tension bolts.
- Capo

Weight: 6½ pounds.

All ODE banjos are made with great care, great precision, and above all, great pride. We feel that our work has been worth while only when you, the purchaser, are more than satisfied. If not we sincerely urge you to return the instrument and your money will be refunded at once.

Suggestions for a better instrument are always welcome.

The ODE company sells directly to the consumer, thus our banjos are brought to everyone at wholesale prices.
