MODEL SERIES

OLD-TIME SERIES banjos are styled after classic 19th century instruments and feature our shorter 25.5" scale, a wider 1.34" nut width, wood dowel stick, fingerboard S-scoop, aged brass hardware, 11" or 12" tortoise bound 2-ply maple rim, three tone ring options, and our tung-oil varnish finish. Exotic wood armrest, removeable resonator, select woods and satin lacquer finish are optional. Available in 5-string open-back *Tupelo, Minstrel, Wizard, Flora, North Star* and *Mira* models.

VINTAGE SERIES banjos combine elegant simplicity with classic design and construction to offer a quality hand-made instrument at a modest price. They feature our standard 26.5" scale, 1.28" nut width, two adjustable rim rods, tung-oil finish, OME nickel-plated or aged-brass hardware, and three tone ring options. Open-back models include: fingerboard S-scoop, tortoise-bound 11" or 12" 2-ply maple rim, Victorian peghead and optional wood armrest. Full resonator models include: our 3-ply 11" maple rim, die-cast F-hole resonator flange, double-cut peghead and wood armrest. Select woods, lacquer finish and removeable resonator are optional. Available in *Jubilee, Alpha, Juniper, Celtic,* and *North Star* models.

PROFESSIONAL SERIES banjos provide the serious musician with all the essentials needed for a top performing instrument at an affordable price. They feature select woods, deluxe inlays, ivoroid binding, and shaded amber high gloss lacquer finish. They are available in 4, 5, and 6-string styles and in *Sweetgrass, Trilogy, Oracle, Southern Cross,* and *Monarch* open-back and resonator models.

CUSTOM SERIES banjos offer premium-grade woods; exotic inlays; ivoroid bound peghead, fingerboard, rim, and resonator; and a choice of custom colored polished lacquer finish. Other options include aged-brass, nickel, chrome, or gold hardware; hand-engraved metal; and a hand-carved heel. Available in 4 and 5-string styles and in *Odyssey, Bright Angel, Primrose, Phoenix, Juggernaut* and *Celtic Star* open-back and resonator models.

ARTIST SERIES banjos are for those who prefer an extraordinary instrument of exceptional beauty, quality, and value. They feature presentation grade woods completely ivoroid bound, hand-engraved Artist Series inlays optional, hand-carved and dye-colored heel, peghead, rim, and resonator, and hand engraved gold-plated metal parts. Available in 4 and 5-string styles and in *Wildflower, Millennium, Renaissance, Magician, Mogul, Spring, Hummingbird* and *Omega* models.

GRAND ARTIST SERIES banjos offer stunning beauty, rare and luxurious materials, unsurpassed artistry in construction, ornamentation and design standard. Standard features included are: our finest tone woods; colorful abalone purfling on neck, rim, and resonator; ebony/maple/ebony backstrap; exotic hand-engraved Grand Artist inlays on the fingerboard, peghead, backstrap, heel cap, and resonator; hand-carved heel, rim, and resonator; and profusely hand-engraved, and gold plated metal parts. Available in 4 and 5-string styles and in *Wildflower, Millennium, Renaissance, Magician, Mogul, Spring, Hummingbird,* and *Creation* models.
